- In its capacity as a financial organization, the Insurer is subject to the legal obligations resulting mainly from the Monetary and Financial Code with regard to money laundering and against the financing of terrorism and, as such, it monitors contracts, which may result in the drafting of a declaration of suspicion or a measure of freezing of assets. The data and documents concerning the Insured are kept for a period of five (5) years from the end of the contract or termination of the relationship;
- His personal information will also be able to be used within the framework of processing to fight against insurance fraud, which may lead, if applicable, to placement on a list of persons presenting a risk of fraud. In this context, personal data concerning him (or concerning persons or parties who are interested in the contract may be processed by any authorized persons working within the entities of the Insurer Group in the context of the fight against fraud. MULTIPLE INSURANCE POLICIES

In accordance with the provisions of Article L 121-4 of the Insurance Code, when several insurance policies are subscribed without fraud, each of them produces its effects within the limits of the guarantees of the contract, and in compliance with the provisions of Article L 121-1 of the Insurance Code.

SUBROGATION

After having paid you compensation, except for that paid for the travel Accidents guarantee, we are subrogated in the rights and actions that you may have against the third parties responsible for the damage, as provided for in article L.121-12 of the Insurance Code.

Our subrogation is limited to the amount of the compensation we have paid you or for the services performed.

WHAT IS THE TIME LIMIT?

In application of article L 114-1 of the Insurance Code, any action resulting from this contract is time-barred two years after the event giving rise to it. This period is extended to ten years for death guarantees, with the actions of beneficiaries being time-barred, at the latest, thirty years after this event.

However, this period does not run:

- In the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- In the event of a claim, from the day that the concerned parties became aware of it, if they prove that they were unaware of it until then.

When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day that this third party brought legal action against the Insured or was indemnified by this latter party.

This time limit may be interrupted, in accordance with article L 114-2 of the Insurance Code, by one of the following ordinary causes of interruption:

- Recognition by the debtor of the right of the party against whom the time limit was reached (article 2240 of the Civil Code);
- A lawsuit, even in summary proceedings, until the end of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is annulled by the effect of a procedural defect (articles 2241 and 2242 of the Civil Code). The interruption is void if the petitioner withdraws his request or allows the procedure to expire, or if his request is definitively rejected (article 2243 of the Civil Code);
- A precautionary measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (article 2244 of the Civil Code).

It is reminded that:

- Notification made to one of the joint debtors regarding legal action or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired interrupts the time limit against all the others, even against their heirs.
- However, notification made to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage claim, if the obligation is divisible. This notification or recognition only interrupts the time limit with regard to the other co-debtors, for the part owed by this heir.

To interrupt the time limit period for the whole debt, with regard to the other co-debtors, it is necessary to notify all the heirs of the deceased debtor or to recognize of all these heirs (article 2245 of the Civil Code).

The time limit can also be interrupted by:

- The appointment of an adjuster following a claim;
- Sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the contribution, and sent by the Insured to the Insurer regarding settlement of the claim).

 - and you are no longer within the time limit to have this vaccination enabling you to travel,
 - or you cannot have this vaccination, following a medical contraindication to vaccination.

It is your responsibility to establish the reality of the situation giving rise to the right to our benefits, and we reserve the right to refuse your request, on the advice of our doctors, if the information provided does not prove the reality of the facts.

ALL JUSTIFIED CAUSES

The guarantee is also acquired in all other cases of cancellation, if your departure or the exercise of the activities planned during your stay are prevented by a random event, **which can be justified**.

By random event, we mean any unintentional circumstance on your part or that of a member of your family and not excluded under this contract, unforeseeable on the day of subscription.

EXTENSION OF GUARANTEE

In the event of a natural disaster, pollution, attack or act of terrorism, we will reimburse you for the cancellation costs less the deductible indicated in the table of guarantees, provided that the following elements are cumulatively met:

FOR WHAT AMOUNT DO WE INTERVENE?

We intervene for the amount of the cancellation costs incurred on the day of the event that may trigger the guarantee, in accordance with the General Conditions of Sale of the tour operator, with a maximum and a deductible as indicated in the table of guarantee amounts.

WHEN DO YOU HAVE TO REPORT THE CLAIM?

1. Medical reason

You must declare your claim as soon as it is proven by a competent medical authority that the severity of your state of health is likely to make your travel inadvisable.

If your cancellation is subsequent to this contraindication of travel, our refund will be limited to the cancellation fees in effect on the date of the contraindication (calculated according to the scale of the tour operator of which you were aware at the time of registration).

For any other reason for cancellation

You must declare your claim as soon as you become aware of the event that may result in the guarantee. If your trip cancellation is later than this date, our refund will be limited to the cancellation fee in effect on the date of the event (calculated according to the scale of the tour operator of which you were aware at the time of registration).

2. Furthermore, if the claim has not been reported to us directly by the travel agency or organizer, you must notify us within five working days of the event giving rise to the guarantee. To do this, you must send us the claim declaration attached to the insurance contract that has been given to you.

- The medical questionnaire attached to the acknowledgment of receipt of your claim declaration, duly completed by a medical authority and including, in particular, the nature of the pathology, the date of the contraindication of travel, the treatment and any medical examinations prescribed. **Additional information may be requested by the consulting physician if the medical questionnaire is not sufficiently completed to permit him to make a decision.**
- A medical certificate indicating the date of contraindication of travel.
- In case of an accident, you must specify the causes and circumstances and provide us with the names and addresses of those responsible, as well as, if applicable, of the witnesses.

The medical documents must be sent to us using the pre-printed envelope in the name of the consulting physician and which we send to you upon receipt of your claim.

It is expressly agreed that you accept, in advance, the principle of an audit by our medical consultant. Therefore, if you oppose it without a legitimate reason, you will lose your right to cover.

In case of death:

You must send us the death certificate and the civil status sheet card or the copy of the family record book to prove the family relationship.

In any case, the amount may not be greater than that resulting from your cancellation.

MISSED RETURN

If an unforeseeable event beyond your control, which may be justified, prevents you from using the planned connection between the place of arrival and your home, we will reimburse you (within the limit stated in the table of guarantee amounts), the ticket that you were forced to buy to return to your home (replacing the one already in your possession and rendered unusable).

For the same trip, you can benefit from the missed departure and missed return guarantee. However, for these two guarantees, our refund will be limited to the maximum amount shown in the table of guarantee amounts.

WHAT WE EXCLUDE

We cannot intervene if the missed departure and/or return results from:

DELAY IN TRANSPORT PLANE / TRAIN / BOAT

EFFECTIVE DATE	EXPIRATION OF THE GUARANTEE
On the expected date of departure - meet-up location of the organizer	The day of the planned return from the trip (place of dispersal of the group)

DEFINITIONS

Duration of the covered Trip

The guarantee only applies to trips with a maximum validity of 90 days.

Originally scheduled arrival time

- For outbound CHARTER flights: the time indicated on the outbound flight ticket,
- For inbound CHARTER flights: the time communicated to you by the travel agency,
- For REGULAR flights: the time set by the airline,
- For rail and sea travel operators: the time indicated on the transport ticket.

Transport delay

This refers to arrival of the covered transport at its final destination at a time later than its initially scheduled arrival time.

If the original trip is cancelled less than 24 hours before its departure time, the delay is the difference between the arrival time of the replacement transport at its final destination and the time initially scheduled for the cancelled transport.

Covered travel

This is the trip for which you have subscribed the "DELAYED TRANSPORT" guarantee.

However, if this trip is cancelled more than 24 hours before the originally scheduled departure time, the "DELAYED TRANSPORT" guarantee covers the replacement trip.

WHAT IS THE NATURE OF THE GUARANTEE?

The guarantee provides for reimbursement of a sum indicated in the table of guarantee amounts, if the covered trip has experienced a delay of at least 4 hours for both the outbound and return transport.

The guarantee is not due if the trip is cancelled by the transport company without a replacement proposal.

The compensation is cumulative if you experience a delay of at least 4 hours for the outbound trip and at least 4 hours for the return trip.

This guarantee is not cumulative with the Air Safety guarantee.

WHAT ARE YOUR OBLIGATIONS IN THE EVENT OF A CLAIM?

The declaration of claim must reach us within 5 working days except in case of unforeseen circumstances or force majeure; if this time frame is not respected and we incur a loss as a result, you will lose all rights to compensation.

You must provide us with a certificate of delay established and stamped by the transport company or its representative. This certificate must include the expected arrival time at the destination, the actual arrival time recorded and must be nominative if you are unable to provide the stub of your boarding pass.

If the documents mentioned above, which are necessary for investigating your claim, are not provided, the case cannot be processed.

IMPORTANT

Should you fail to comply with the obligations listed above, it will be impossible to establish the reality of the transport delay and, therefore, you will not be able to be compensated.

Furthermore, a person who knowingly makes a false declaration or uses fraudulent means or inaccurate documents will forfeit any right to compensation.

WHAT WE EXCLUDE

We cannot intervene when your transport delay results from:

- The absence of hazard,
- An intentional act and/or which is punishable by law,
- A nuclear incident, civil or foreign war, an attack, riot or strike,
- Due to an act of negligence on your part.

No acknowledgement of responsibility or settlement occurring without our agreement shall be enforceable against us.

However, recognition of a material fact or the mere fact of an act of assistance that everyone has a legal or moral duty to perform is not considered an acknowledgment of responsibility.

DEFENCE OF YOUR INTERESTS

Provisions common to Criminal Defence and Recourse guarantees following an accident

BY INSURED WE MEAN

Any natural person domiciled in Continental France or an overseas department who has reserved travel services privately with an approved organization (Tour operator, travel agency) whether it involves:

- Transport tickets
- An organized trip (cruise, circuit, "all-inclusive" stay, ...)
- And the duration of which does not exceed twelve consecutive months

PURPOSE OF THE GUARANTEE

In the event of a dispute between the insured and a third party, our service may consist of legal advice, amicable assistance, the cover of costs and fees incurred in the context of legal proceedings, up to the amounts indicated in the table of guarantee amounts and deductibles.

In order to prevent litigation, the insured benefits from a service to provide legal information by telephone. A team of specialized lawyers responds to any legal request.

FROM AN AMICABLE STANDPOINT

Legal consultation

As part of a personalized service and in view of the elements that the insured provides to us, we explain to him, either orally or in writing, the legal rules applicable to his case and we give him an opinion and/or advice on how to proceed.

Assistance with amicable procedures

After a complete study of the insured's situation, we intervene directly with his opposing party, in order to seek a negotiated outcome in accordance with his interests.

When assistance from an outside contributor is necessary (in particular when the insured's opponent is himself represented by a lawyer), we cover the costs and fees of the latter within the limit of the budget for amicable procedures indicated in table of guarantee amounts and deductibles.

The insured gives us a mandate to proceed with any process or operation intended to amicably put an end to the declared and covered dispute.

FROM A JUDICIAL STANDPOINT

When the dispute is or must be brought before a commission or a court, we cover the costs and fees incurred in the context of the procedure, within the limit of the judicial budget indicated in the table of guarantee amounts and deductibles.

FORMALITIES TO BE COMPLETED IN THE EVENT OF A DISPUTE

The insured must send any claim in writing to ASSURINCO.

Except in case of unforeseen circumstances or force majeure, any loss likely to fall within the scope of this cover must be declared within 30 working days, from the moment when the insured becomes aware of it or from the refusal of a claim of which he is the author or the recipient, under penalty of forfeiture of guarantee if it is established that this delay causes us harm.

For any declaration, the insured must mention the references of his contract and communicate all information, documents and supporting documents necessary to defend his interests or to establish the materiality or the existence of the dispute.

We do not cover the costs and fees generated or paid prior to the declaration as well as those corresponding to services or procedural acts carried out before the declaration, unless the insured can justify an urgency for having incurred them.

ARBITRATION

In the event of disagreement between the insured and us on the measures to be taken to settle the declared dispute:

- The insured has the option of freely designating a third party, provided:
 - That this person is authorized to give legal advice and is in no way involved in the possible continuation of the case,
 - That we are informed of this designation.

We cover the fees of the third party, freely designated by you, within the limit of the amount appearing in the table of guarantee amounts and deductibles;

- In accordance with article L 127-4 of the Insurance Code, this disagreement may be submitted for the assessment of a third person designated by mutual agreement with us or, failing that, by the Presiding Judge of the Tribunal de Grande Instance ruling in the form of summary proceedings.

The costs incurred for implementation of this option are our responsibility unless the court to which the matter is referred decides otherwise.

If the insured initiates, at his expense, a contentious procedure and obtains a more favourable solution than that which we propose to him or that proposed by the arbitrator, we reimburse the costs incurred for the exercise of this action, within the limit of the guarantee.

CHOICE OF LAWYER AND MANAGEMENT OF THE TRIAL

The insured has the free choice of a lawyer or any person qualified by the laws or regulations in effect to defend, represent or serve his interests in the circumstances provided for in article L 127-1 of the Insurance Code.

If the insured does not know a defender, we can make one available to him, subject to obtaining a written request from him.

With his defence counsel, the insured controls the procedure.

The free choice of counsel is also exercised whenever a conflict of interest arises, i.e., the impossibility for us to manage, independently, a dispute between, for example, two insureds.

It is specified that the costs and fees of the lawyer chosen by the insured are covered within the limit of the amounts provided for in the table of guarantee amounts and deductibles and the scale attached thereto.

MANAGEMENT OF CLAIMS

In order to guarantee you the best quality of services, the management of your legal protection claims is carried out by a service separate from those which manage the other branches of insurance.

The address of this service will be given to you by your ASSURINCO representative when you first request the benefit of the guarantee.

When several insurance policies against the same risk are subscribed fraudulently or with the intention of deceiving us, we can invoke invalidity of the contract and claim damages.

COMPENSATION

The guarantees are granted within the limit of the amounts indicated in the table of guarantee amounts and deductibles.

CIVIL LIABILITY

We proceed on your behalf with payment of compensation due to the third party.

TERMS OF APPLICATION OF THE GUARANTEE AMOUNTS

DETERMINATION OF SUMS INSURED

The guarantee is granted either per claim or per insurance year, regardless of the number of claims, up to the amounts and subject to the deductibles indicated in the table of guarantee amounts and deductibles.

The costs of lawsuits, discharge and other settlement costs will not be deducted from the amount of the guarantee. However, in the event of a conviction exceeding this amount, they will be borne by the Company and by the insured in the proportion of their respective shares in the conviction.

PROVISIONS RELATIVE TO GUARANTEES SET PER CLAIM

In all cases where a guarantee is granted up to an amount set per claim, it is exercised for all claims relating to a loss or all losses resulting from a harmful event or a set of harmful events having the same technical cause.

The amount retained is that applicable on the date of the harmful event (or of the first harmful event for a set of harmful events having the same technical cause).

It is then automatically reduced by compensation paid or due until it is exhausted.

PROVISIONS RELATIVE TO GUARANTEES SET PER INSURANCE YEAR

In all cases where a guarantee is granted up to a fixed amount per insurance year, it is exercised for all the harmful events occurring during the same insurance year, regardless of the date of the other elements constituting the claim.

When the same harmful event (or set of harmful events having the same technical cause) gives rise to one or more losses for which one or more claims are filed, they are attached to the insurance year of the occurrence of the harmful event (or the first harmful event for a set of harmful events having the same technical cause) and constitute one and the same claim. The amount set per insurance year is, therefore, automatically reduced regardless of the number, nature and origin of claims, compensation paid or due for the same insurance year until this amount is exhausted.

The amount set per insurance year constitutes the absolute limit of the insurer's commitments.

CRIMINAL DEFENSE AND RECOURSE FOLLOWING ACCIDENT

In addition to the steps we take, the compensation includes the payment of costs and fees required to defend your interests (experts, lawyers, etc.).

LEGAL INFORMATION

The Insured certifies that the answers making it possible to establish the contract are correct.

The insured's attention is drawn to the fact that any reluctance or intentional false declaration on his part results in invalidity of the contract (art. L113.8 of the Insurance Code), and that any omission or inaccurate declaration exposes him to incurring responsibility for a portion of the compensation (art. L113.9 of the Insurance Code).

Protection of personal data

Personal data concerning the insured entity (or concerning persons who are parties or concerned by the contract) are processed by the Insurer in compliance with the Data Protection Act of 6 January 1978 as amended. Processing of this data is necessary for establishment, management and execution of the contract, management of commercial and contractual relations, the fight against fraud, or the execution of legal, regulatory or administrative provisions in effect.

They are intended for its consultant and the services of the Insurer for each of his guarantees (Insurance, Banking and services) according to the purposes and provisions stated in the general conditions or information notice of his contract.

This information is kept, at most, for the duration of the contractual relationship, and until expiry of the legal time limits.
